MISCELLANEOUS.

PYÆMIA

Is the most virulent form of blood-poisoning. Less speedily fatal, but not less certainly so, is the vitiation of the blood of which the first symptoms are Pimples, Sties, Boils, and Cutaneous Eruptions. When the taint of Scrofula gives warning of its presence by such indications, no time should be lost in using AYER'S SARSAPARILLA, the only perfect and reliable medicine for the purification of the blood.

SCROFULA

Is a foul corruption in the blood that rots out all the machinery of life. Nothing will eradicate it from the system and prevent its transmission to offspring but AYER'S SARSAPARILLA. This preparation is also the only one that will cleanse the blood of Mercurial poison and the taint of Contagious Diseases. Impoverished blood is productive of

ANÆMIA,

A wretched condition indicated by Pallid Skin, Flaccid Muscles, Shattered Nerves, and Melancholy. Its first symptoms are Weakness, Languor, Loss of Nerve Force, and Mental Depression. Its course, unchecked, leads inevitably to insanity or death. Women frequently suffer from it. The only medicine that, while purifying the blood, enriches it with new vitality, and invigorates the whole system, is

Ayer's Sarsaparilla,
